RETRO SERIES

11 MAKEUP BRUSH

1

SYNTHETIC HAIR

Selected BASF Synthetic Hair ; soft texture, elastic hair peak, easy to grasp powder.

2

ALUMINUM FERRULE

It is more wear-resistant, not easy to scratch and not easy to deform. The step embossing is not only beautiful, but also can better connect the brush handle.

3

WOODEN HANDLE

The appearance of log grain fully shows the retro temperament. The sharp conical tail design makes the brush handle look more flexible.
